## HOLST

### “The Planets”

Live chamber version of Gustav Holst's „THE PLANETS“.

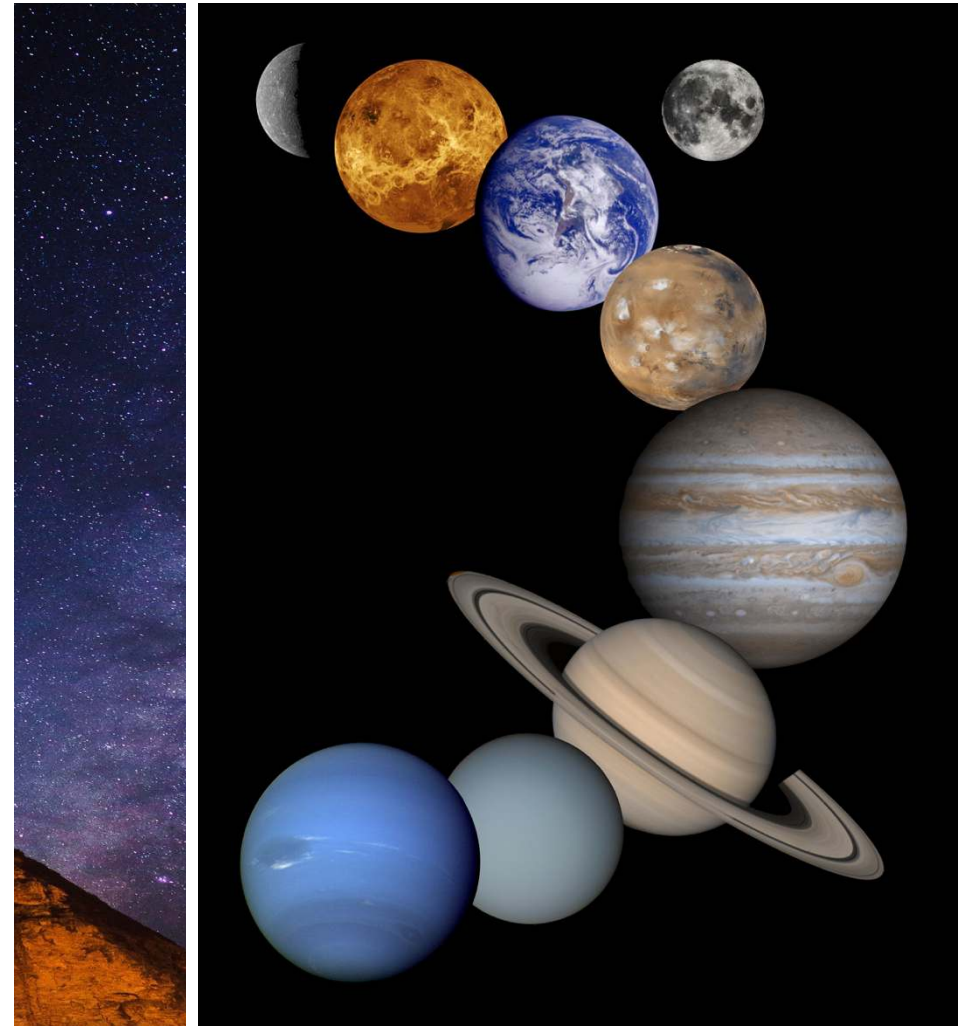

You'll hear the famous music THE PLANETS by Gustav Holst live and compounded with impressive planets spectacular in a planetarium or outdoor on screen. We create a new and very special line-up for three musicians to adapt Holst's very first version for just 2 pianos.

- ❖ Live music with 3 musicians – flute, vibraphone & harpsichord
- ❖ Live switch to ISS cameras ( International Space Station )
- ❖ Concert under live planet spectacular in a planetarium - or with screen.
- ❖ Indoor for planetaria, conferences etc.
- ❖ Outdoor for events und festivals
- ❖ Projections viable also with screen or just with white walls. Then projector and laptop required to show the pictures.
- ❖ Microphones required for larger halls.
- ❖ Duration 90 minutes

Take a seat - enjoy and dream ....

Flute - Roswitha Meyer  
Vibraphone - Jannik Becker  
Harpsichord - Tilmann Albrecht  
Fulldome projections - Simon Plate, our director of the planetarium of Potsdam - or live with the director of any other planetarium where we perform.  
Conception in general - Roswitha Meyer

*“That's where life is... that's where all the good stuff is.” Astronaut Loren Acton*
